Lodging Accommodations:

Copper's **Silver Lodging** units are well-designed for comfort and aim to meet your every lodging need. **Located mountainside or within yards of our complimentary shuttle system**, they remain the most requested and valued guest units. The condominium suites offer gas or wood fireplaces, cable TV and fully equipped kitchens. **Silver lodging will have one or two beds per bedroom and a sofa sleeper in the living room. See Table #1**

Copper's **Gold Lodging** represents a supreme level of accommodation and are strategically located throughout the Village allowing convenient access for participation in all the Resort's exciting activities. You'll enjoy a fitness room, outdoor spa, and heated underground parking in the buildings. The condominium suites offer gas fireplaces, cable TV and fully equipped kitchens. **Gold lodging will have one bed in each bedroom and a sofa sleeper in the living room. See Table #2**

All **Gold** and **Silver** lodging buildings will have elevators and laundry facilities, all lodging units are equipped with ironing board, iron, coffee maker and hair dryer. Copper lodging guests receive complimentary access to the Copper Athletic Club. Here you will find an indoor pool, saunas, steam rooms, hot tubs, weight room, cardio equipment, racquetball courts and a spa offering massages and facials.

All Copper lift and lodging packages include the Secret Pass. This designated lift access bypasses lines on major lifts plus gives you first tracks off the American Eagle, 15 minutes ahead of the general public. The Secret Pass is Copper's version of the HOV lane; get the Secret Pass and spend more time on the mountain and less time in lift lines.
